

## Sponsored support is a marathon

***Maria Borg Barthet's*** completion of the London Marathon in support for the Haven House children's hospice crowns a series of sponsored achievements for CJC team members, with ***Ian Short*** also putting in the miles for Haven House and ***Richard Hickey*** and ***Kaan Polat*** cycling for The Mission to Seafarers.

A series of sponsored events brought the best out of the CJC team in the second half of 2021, as individual acts of athleticism were put to good use in a run of fund-raisers.

Supporting Haven House remains a priority for CJC, as demonstrated by ***Maria Borg Barthet's*** completion of the London Marathon as part of the Haven House Team on 3 October 2021. Over £7800 was raised via Maria's JustGiving page.

Haven House predominantly looks after and supports children and young people who have life-limiting or life-threatening conditions, as well as their families. Care is provided at the hospice itself in Woodford Green as well as in

the community. Haven House needs to raise £4.4 million a year to achieve this. The work done by Haven House is impressive but the strength, love and attitude with which it is done is what is really overwhelming.

In August, CJC's ***Ian Short*** ran the London Landmarks Half Marathon on 1 August 2021, organised by pregnancy charity Tommy's, as one of the 15 runners completing the course to raise £11,000 in support of Haven House. [READ MORE HERE](#)

Also putting in the miles of late, although for a different cause, have been ***Richard Hickey*** and ***Kaan Polat***, who joined the Graig100 Bike Ride in the hills around Cardiff on 4 September 2021 to raise funds in aid of The Mission to Seafarers. [READ MORE HERE](#)

Campbell Johnston Clark Limited (CJC) is an international law firm specialising in shipping and international trade. With almost 60 staff worldwide, CJC has offices in London, Newcastle, Singapore and Miami. The firm has a strong presence in the London and overseas shipping markets with clients and fellow practitioners alike.
